WEST NEWTON HIGH SCHOOL

. . . This Is Now

Looking back! Nostalgia has become an American way of life. People like to look back and think that it was a happier day in 1958, 1895 or even 1776. THEN Decatur Township was nothing but a wilderness.

The first township high school was located at West Newton. Later, Decatur Central High School was formed. Differences between the early days of the school and today are remarkable. THEN we existed as a farming community which considered itself a world apart from the city.

NOW housing developments, better roads and Uni-Gov have changed all that. Although a few farms remain, Decatur has become a residential suburb with a large portion of the citizenry commuting to the city for work.

These changes in the township have also affected the school. THEN agriculture classes were popular. NOW we have vocational classes which are designed to place students in demand jobs. Much more freedom is allowed students in matters such as dress and driving.

Student interests have also been altered. THEN less than 25 percent of the juniors and seniors would have considered missing the prom. NOW students focus much of their attention on such activities as the raft race, variety show and faculty-senior game. Basketball and football have remained as the top spectator sports. Much support is now given to wrestling, swimming and girls athletics.

Changes Are a Plus for School

Although all changes may not have been for the better, it is likely that the 1976 Decatur student would like the NOW school rather than the THEN version. Progress goes on and the school and students of 30 years from now will be as different from us as we are from the past classes of Decatur Central. Maybe then we will look back on today as a better time. THEN and NOW are already merging to create tomorrow.

Tradition Loses Out in "Fiddler"

"Tradition!" Time honored roles and values of a 19th century Russian Jew faced the supreme test in the 1975 spring musical, "Fiddler on the Roof." Lloyd Blaine as Tevye and Kathy Rumple as Golda saw their accepted ideals and beliefs crumble around them as one by one their daughters married. Tzeitel, the oldest, played by Kathy Thomas, was married to Motel, played by Steve York, without the aid of a matchmaker. Tammy Hatfield as Hodel and Dave Armitage as Perchik, the scholarly socialist, astounded their parents by their romance with which they intended to proceed, with or without a fatherly blessing. However, when young Chava, portrayed by LaDonna Holman, announced her intentions to wed a Christian, Tevye decided enough was enough and banished her from the family. This, along with increasing friction between the Jews and Christians in town, served as the main viewer interest. Miss Martha Walker presented her final musical at Decatur as choral director while Ms. Barbra Wagner headed the 49-member cast as drama director.

Activities Speed Up Final Week

D

An extra week of "freedom" headed the list of senior activities for 1975. The 316 members of the class were whisked through their final week of school with a flurry of exciting events. A senior flag, breakfast, picnic, Last Supper and Kings Island trip served to busy seniors and also helped cut down on senior hi-jinx. A total of 115 mid-term graduates returned for commencement ceremonies. According to counselor Lawrence Cline, 32% had plans for college. Earlier in the year the seniors took "Super Bowl II" by a 58-53 margin over the faculty. Ms. Pam Lyons and Dr. Anthony Etienne ruled as king and queen of the contest. Class sponsor Donald Huffman called the seniors "one of the best classes I've worked with."

Spirit of '76 Lights Homecoming

A

B

Homecoming '75 glowed with the "Spirit of '76," inspired by the theme—"The American Bicentennial." The seniors, upholding a five-year tradition, placed first in the float competition with their theme, "Oh Say Can You See a Star-Spangled Victory." The juniors and sophomores took the next two places. Something old was resurrected at the '75 Homecoming: the king, queen, princes and princesses displayed their first emotions while being crowned during halftime rather than at a pep session. Lisa Gootee and Will Clark, a first-half casualty, were selected as Queen and King. They reigned over the following court: juniors, Theresa Reuter and Bob Dahl; sophomores, Debbie Conyer and Tim Morgan; freshmen, Kim Newland and Coy Lickliter. The Brownsburg Bulldogs put a damper on the festivities by defeating the Hawks 31-0. Following the game, the homecoming dance, featuring the "Light Touch," attracted approximately five hundred people to the gym for an evening of fun, pizza and frolic.

Prom: A Young and Restless Time

Murat Temple's Egyptian Room in downtown Indianapolis provided the setting for the 1975 Junior-Senior Prom. Mr. Lowell Billings considered the attendance of around 375 people "one of the best we ever had." Ms. Diane Laybold and Mr. Billings—Junior Class sponsors—coordinated the memorable evening. Terry Sutterfield and Lesa Grady reigned as King and Queen. The modern band "Good Feelings" portrayed through their music the theme, "The Young and the Restless." Following the prom, many guests attended the post prom party with a western theme, at the school. Sleepless people exhausted their energy by participating in activities like all-night movies, a mini-carnival, swimming and other recreational events. And to "round up" the prom events, parents served breakfast. This was truly a time for "The Young and the Restless."

Friendships Form Memories

Perhaps the most important parts of high school life are the friendships, lasting or otherwise, which are cultivated during these four years. Some of the strongest bonds of comradeship may emerge, whether it is a union of mutual dislike for that "tough" class, the camaraderie of sports teammates or even the discovery of that "certain" someone. Talking things over, sharing a private joke, going places—these are the things which form the lasting memory of school days. Years from now, when the thoughts of exams and lectures have faded, these friendships will make the recollections much brighter.

No Business Like Show Business

Quiet on the set! Lights! Action! The lights of the theatre shatter the darkness as the actors prepare to entertain. "There's No Business Like Show Business,"—the third annual variety show sponsored by the Drama and Choral departments—opened the 1975-76 theatrical season. Joey Mitchell and Anna Conlin coordinated the program as the emcees. The judge bestowed top honors to the first three places. There was a tie for third place between Janet Kollman, who danced an original ballet to Jonathan Livingston Seagull's "Be", and Terri Hallam, who executed an acrobatic dance to "Top of the Ninth." Robin Reilich placed second with a piano solo, "Prelude in Pastels." Dan Wiesjahn strummed and sang his way to first place with an original song, "I Look But You're Not There," accompanying himself with the guitar. Ms. Cynthia Coffee and Ms. Linda Howe combined their knowledge as they co-directed.

Roarrrr!! On come the lights and up comes the curtain; it's time for the all-school play, "The Mouse That Roared." It was staged with a cast of 46 students, directed by Ms. Coffee and senior Becky Shouse. Erin O'Brien, Doug Wolfer, Joey Mitchell and Bill Marrion combined their talents as the major characters to entertain the audience with this lighthearted comedy.

Leisure Time Interests Add Variety, Allow for Individualism

In a world where numbers identify students, it is all too easy to join the shuffle of a faceless crowd. A kaleidoscope of spare time activities provides an escape from being "just like everyone else." The assortment of leisure time interests is as varied and unique as the individuals who form the student body. Regardless of how one chooses to fill leisure hours, these personal interests will produce a very special person—an individual.

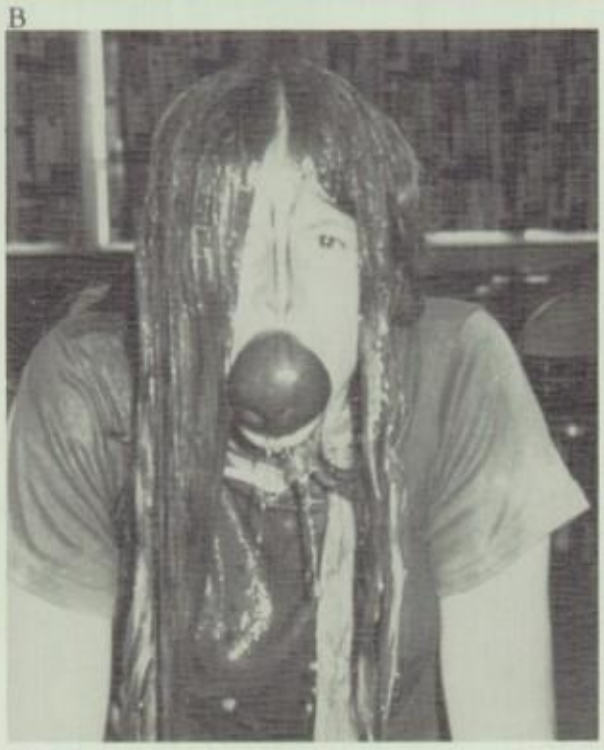
Special Events Break Routine

A

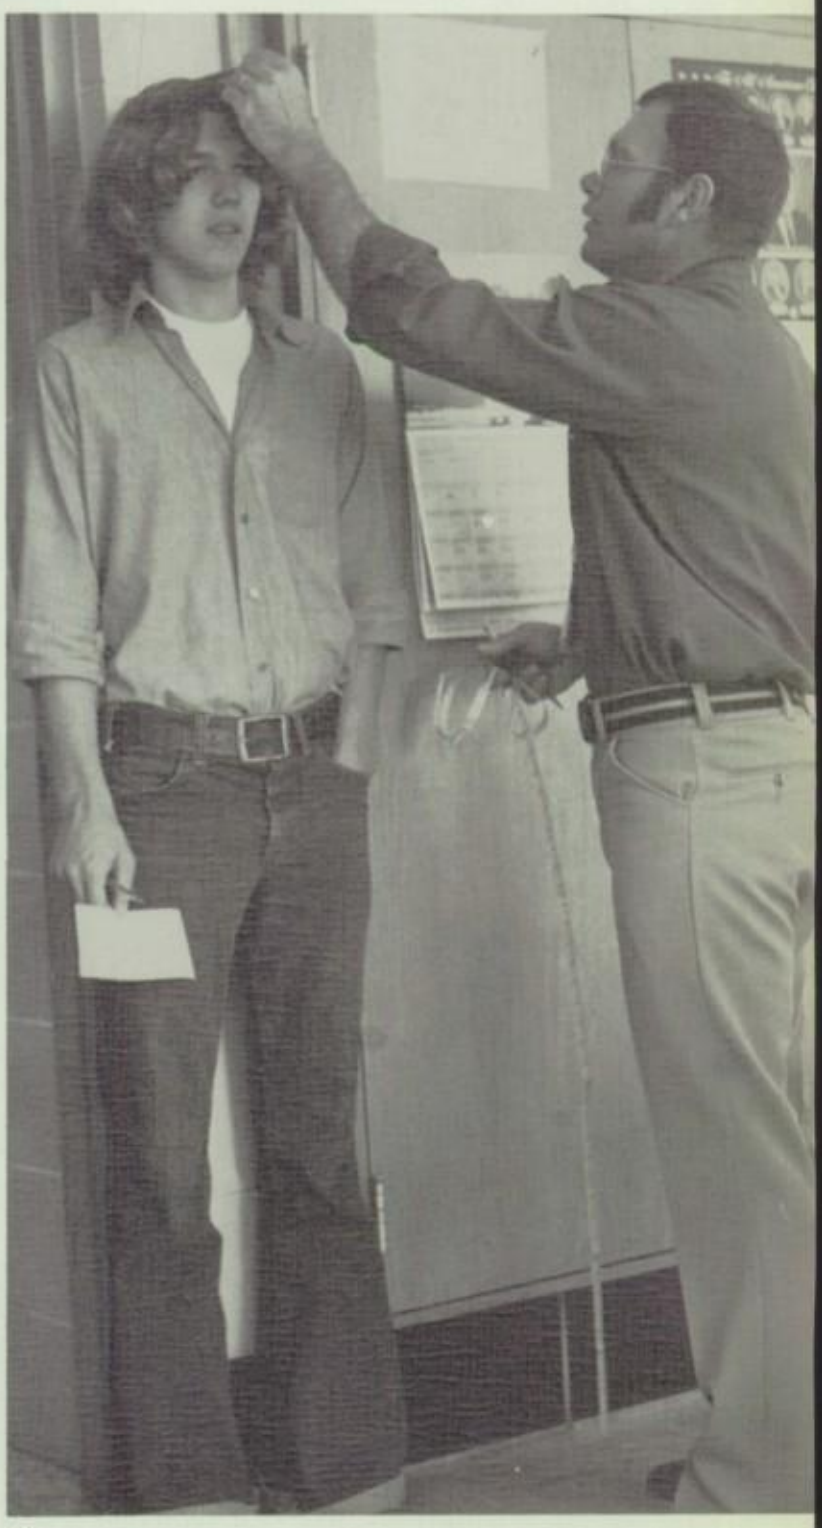
B

C



D

Amid the boredom of the daily class schedule, there are people and events which add color to the otherwise average day. What would life at Decatur be like without—the annual Terrorama? Spirited athletic events? The anticipation of graduation? These and other events will echo through the years as unforgettable, once-in-a-lifetime memories.



E

A: Jerry Emery is in full dress to haunt the halls during Terrorama time. B: Mike Wagner poses as 'The Hawk' before the start of a spirited basketball game. C: Resembling models of past history, Tammie Blake and Vickie Hayton dress in the mode of the 50's. D: Marlene Linville triumphantly expresses victory at apple bobbing during the freshman Halloween party. E: Signifying the beginning of the end of high school years, senior class sponsor Donald Huffman measures Mark Toliver for his graduation gown.

Working Hard, Having Fun

In the past, the student council has been judged on how many convocations were presented. This year they sponsored two convocations in the first semester, whereas last year there were only two convos all year. The first—Mike Crain with a judo demonstration—was well received by the student body. Second, the Life Action Singers presented a spiritual and musical program. The student council raffled off a daisy patterned afghan to help St. Ann's school, which had been burglarized. A survey was taken to see what the student body thought the student council was doing. The student council made it possible to have a Christmas play during school hours. Student council president Mike Richards has high hopes that his term of office will be "one of the best this school has ever seen. At this stage of the game, things have fallen into place so that this dream might be achieved."

Cadet teachers have increased in number from 13 to 22 in the past year. Their enthusiasm is great, and the response from grade schools is astounding. Cadet teachers enjoy giving individual help to their students.

The National Honor Society voted to wear white gowns with gold tassels and sashes at graduation.

Clubs Raise Money, Compete

A total of eight meets with other schools headed the activity list for the Chess Club. Club President Sam Vandivier was optimistic about the team's potential. The top six players on the club competed in each meet.

Money-raising projects for the Fellowship of Christian Athletes included a car wash and a skating party. Sponsor Joe Brent hoped to use the money to send representatives to FCA Camp.

The united Tri-Hi-Y and Hi-Y, besides preparing for the annual Model UN, sponsored a book fair in November. The event was under the direction of Ms. Susan Nichols.

Sponsor Ruth Marshall and Youth for Understanding President Steve Reilich, welcomed exchange students Kari Virtanen and Judith Schwieder to DC.

Clubs Here to Entertain, Serve

Decatur Central's variety of clubs whose functions are to serve and/or entertain the student body and community offer exciting challenges for their participants.

Wherever there is a projector, there will always be a DC projectionist at the helm. Not only do they operate projectors but the DC "Pros" share in the responsibilities of running a film library, videotaping anything from class projects to sporting events, maintaining and operating equipment within the auditorium and helping in any way they can to improve the Audio Visual Department. They sponsor Terrorama, an annual spook show.

Faces of comedy and tragedy that are revealed upon the stage for all to see condense the purpose of the Drama Club. In its effort to stimulate interest in the theatrical field, the Drama Club sponsored the all-school play, "The Mouse That Roared," and "The Christmas Carol." In both, the entire student body was invited to audition and taste the excitement of theatre.

A special group of dedicated actors, actresses and theatre technicians guided by sponsor Cynthia Coffee compose the International Thespian Society. To be a member of this honor club, one must accumulate the equivalent of 100 hours of devoted theatrical work. As the backbone of the Drama Club, the Thespian Society inspires potential dramatists to pursue a career in theatre.

Maintaining and operating the Media Center for the benefit of teachers and students takes time and hard work. The Media Club, under the sponsorship of Ms. Susan Hazer divides the work load among its members. Ms. Hazer adds, "We hope to become more active as the year progresses."

New Wave of Spirit Hits DC

A

B

"Fantastic!" and "Best I've ever seen," summed up Ms. Barbara Wagner's reaction to this year's school spirit. But this new overflow of spirit can be credited to some extent to the cheerleaders. The varsity and junior varsity competed in many tournaments and as usual represented DC well. They competed at the State Fair and Martinsville and finished fifth and third respectively. In the All-Star Cheerleaders Conference the varsity placed second and the JVs third. Highlight was Jami Lucas being named "Miss Cheerleader." As a fund raising project the Pep Club again sold candy.

Seniors Display Spirit Of '76; Plan Year With Enthusiasm

Plans for a class trip to Hawaii over spring vacation helped prove the spirit of '76 for the seniors of 1975-1976. They also planned another Christmas party for the children of the Damar Home. This project was supported by the entire community, while sponsored by the Senior Class. A trip to King's Island, a fifties dance, and an informal spring dance in the courtyard were among plans made for the class. The seniors provided another challenge to the faculty basketball team this year in "Super Bowl III". This game headed activities for the 75-76 school year. Dave Brattain led the seniors as class president with vice-president Carol Fishero; secretary Lisa Gootee; and treasurer Jami Lucas. Aiding the seniors in planning this year's activities were co-sponsors, Ms. Linda Swayze and Mr. Donald Huffman. In accordance with the Bicentennial festivities the Senior Class selected as their colors red, white and blue. They chose as the class flower, carnations of red, white, and blue. The seniors chose their class motto as follows:

Lives unfolding from molded dreams,
Formed to reality by our knowledge,
To be seasoned, in time, with wisdom.

Foreign exchange students Judith Schwieder from Germany and Kari Virtanen from Finland joined the class of '76 for a year of activities.

Prom Plans Busy Junior Class

Juniors prepared to host the prom at Marrott Hotel, May 1, 1976, by totaling $5,600 in magazine sales. Jim May, the top salesman and record holder, sold $839. Second was Roger Koontz with $329 in magazine money. The float and its theme, "Give Me Victory or Give Me Death," took second place at the Homecoming. Class president Theresa Reuter, the homecoming princess, shared leadership duties with other officers, vice-president Judy Scott, secretary Lisa Benard, and treasurer Greg Daniel. Class sponsors Diana Laybold and Lowell Billings helped in planning the year. Janet Cozad showed great ability when she placed fourth in a math contest in Terre Haute.

Sophomores Make '76 Memorable

President Jack Hill led the sophomore class in the 1975-76 school year. Other officers included vice-president Jill Guthrie; secretary Tim Morgan; and treasurer Kathy Blue. Sophomores selected the theme "The Delaware Is Our Goal Line," for the Homecoming float. Tim Morgan and Debbie Conyer were chosen as prince and princess for the annual festivities. In the food raising projects for the needy at Thanksgiving, the sophomores proudly collected the largest amount of food. Class rings were chosen and ordered in the fall, and the long wait for spring delivery began. A candy sale in January provided funds for the sophomores. A ski trip was also planned for the class.

Frosh Build a Rewarding Year

The newest class started the year with an original method of electing class officers. The freshman class assembled in the auditorium and listened to the campaign speeches of each slate. The elected candidates were Cindy Beanblossom, president; Kim Newland, vice-president; Judy Young, treasurer; and Dana Gorman, secretary.The class also showed tremendous enthusiasm and spirit with the creation of their homecoming float around the theme, "The Transcontinental Railroad Became a Key When the Hawks Derailed a Victory." Freshman prince and princess were Coy Lickliter and Kim Newland. Sponsor Marlene Cassidy helped them start building funds with a Valentine's Day candy sale.

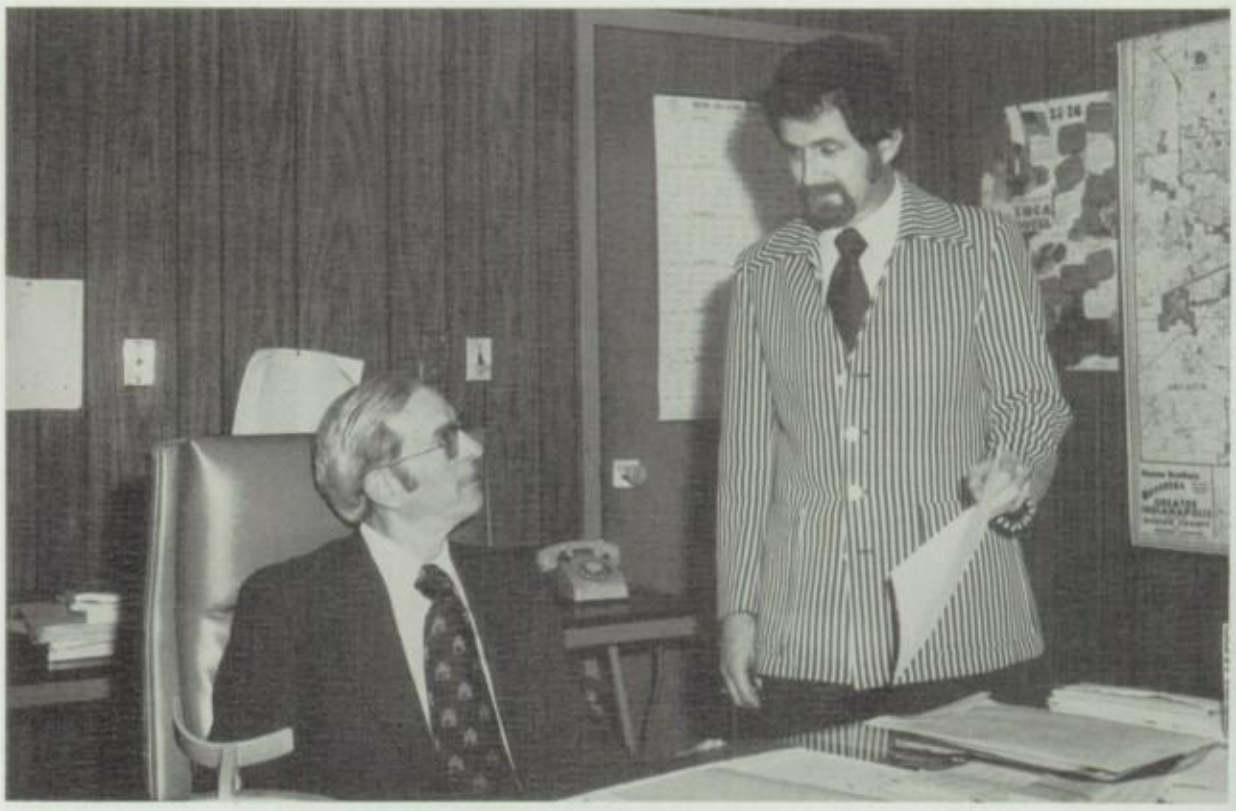
New Year, New Decisions

This year, as in the past, faculty members have been confronted with several prominent problems. One problem involved counseling methods. A new field of guidance was explored by Ms. Rosemary Rodarmel and the Freshman Class. This involved groups of ten meeting with Ms. Rodarmel to discuss their future years of school. Another notable issue concerned the entire faculty. Negotiations for a new contract had been underway since the previous spring and teachers were on the verge of striking. But the DCTA and the school board reached agreement, and the threat ended. Adding to the confusion, the North Central Association evaluation team visited to reexamine the school operations. The faculty sponsored an all-school sock-hop in October.



Frequent discussions are necessary to keep a school running smoothly.

Fruit Sale Earns Over $3000

Netting over $3000 from the fruit sale to buy new uniforms led the activities of the Blue Hawk Marching Band. Mr. David Nash, band director, arranged the forty-seven members of the band in many half-time shows ranging from a bicentennial salute to a show about television. The forty-two member Goldenette Corps included a pompon corps, a flag corps and a rifle corps. Senior Drum Major Bill Lambdin commented, "My four years in the band will be something I'll never forget." The band spent many long hours practicing for the concert band contest which they entered. Next year the band will be strengthened by the upcoming recruits from the Junior High.

Changes in Music Never End

Vocal music department has changed immensly due to many new activities. The Girls' Ensemble and Goldenaires sang in churches, orphanages and other community centers. For a fun convocation Ms. Howe's choirs performed popular music from the 50's, 60's and 70's. The Indianapolis Symphony Radiothon gave the choir a chance to display its talents in competition with other schools. The Concert Choir made its debut on the monument circle at Christmas time providing shoppers with an hour of holiday carols. The singers planned many more activities, one of which was the spring musical "West Side Story".

Growth Promotes Change in Art

Growth of enrollment in the Art Department allowed for expansion in the curriculum. The number of art students nearly doubled over last year. Four more hours of art classes were added to the daily schedule. Printing and 3-D crafts widened the variety of interest areas. The Art Club, headed by Mr. Bruce Pearce, organized a dance with the band Eclipse in December. Raising $200, the club planned a springtime trip to Brown County. Student teacher Ms. Christina Wehlage came from Herron Art School to work with students. Ms. Ann Ruark transferred to the department, teaching photography. This course trained students to correctly take, develop and print pictures, as well as to know some of the history of photography.

English Is More Than ABC's

"You're a nerd," said a typical English scholar. "Not knowing what's happening in the department won't chalk up any brownie points." Reading Lab helps students become better readers through the use of the Aud-X machine which aids in the learning of vowel sounds. Continuing is the phase elective program. Creative Writing and Mystery and Science Fiction classes allow students to express their own thoughts and feelings through personal themes and projects. This provides a more affable teacher-student relationship. "Now ain't that the most interesting thing you ever heard?" asked the scholar. "No," replied the nerd.

Foreign Language Has New Look

"We would like very much to have a one-semester language course for any student who would want to learn a language for his own benefit," stated Ms. Norma Lantz, director of the Foreign Language Department, concerning future plans in the department. Ms. Lanetta Warrenburg joined the staff and took over the duties of instructing the Latin classes and sponsoring the Latin Club. Also, Ms. Susan Nichols added the second year and the combined third- and fourth-year Spanish classes to her list of responsibilities. Special playing cards and games such as bingo and scrabble were used to help improve the students' vocabulary and knowledge of verb forms, while serving the purpose of educating in a relaxed atmosphere. With the new changes and plans introduced, the department hoped to make foreign language an even more important part of the curriculum in the students' education.

Lab Produces Quality Workers

A

Preparing students for a variety of office jobs is the Business Lab's purpose. Lab students have special jobs for actual companies such as Eli Lilly and Indiana Bell. Only seniors who have taken Business Machines, Office Practice and typing may participate in the class. Part of the everyday routine is clocking in and out of class. Students have breaks, just as office workers do. Office Education Association (OEA) is expanding every year. Field trips to Eli Lilly, Indiana National Bank and other businesses were planned this year in order for students to see actual offices in action.

You've Come a Long Way

A

Look out, society, here come the D.C. home economic students. These young people are gaining values and equipping themselves for a more satisfying life in society. The roles that women play are changing. Topics such as youth as consumers, factors influencing management of resources, principles and elements of design, and cost of improving and maintaining a home are discussed to help develop these values. Through home furnishing they learn the art of interior decorating and wants and needs of a family home. So all you women out there dispense of your needles and thread and get into the swing of the new world.

Students Show More Interest

"It helps prepare you for your future occupation," stated Chester Kingery about Mr. Holmes' Vocational Machine Shop class. But that is just one phase of Decatur Central's Industrial Arts classes. Future woodshoppers, draftsmen and printers all get the needed training in the skills they will need for the future. Industrial arts teachers were unanimous in one point: The students this year are more interested and get into the work more eagerly than they did in years past.

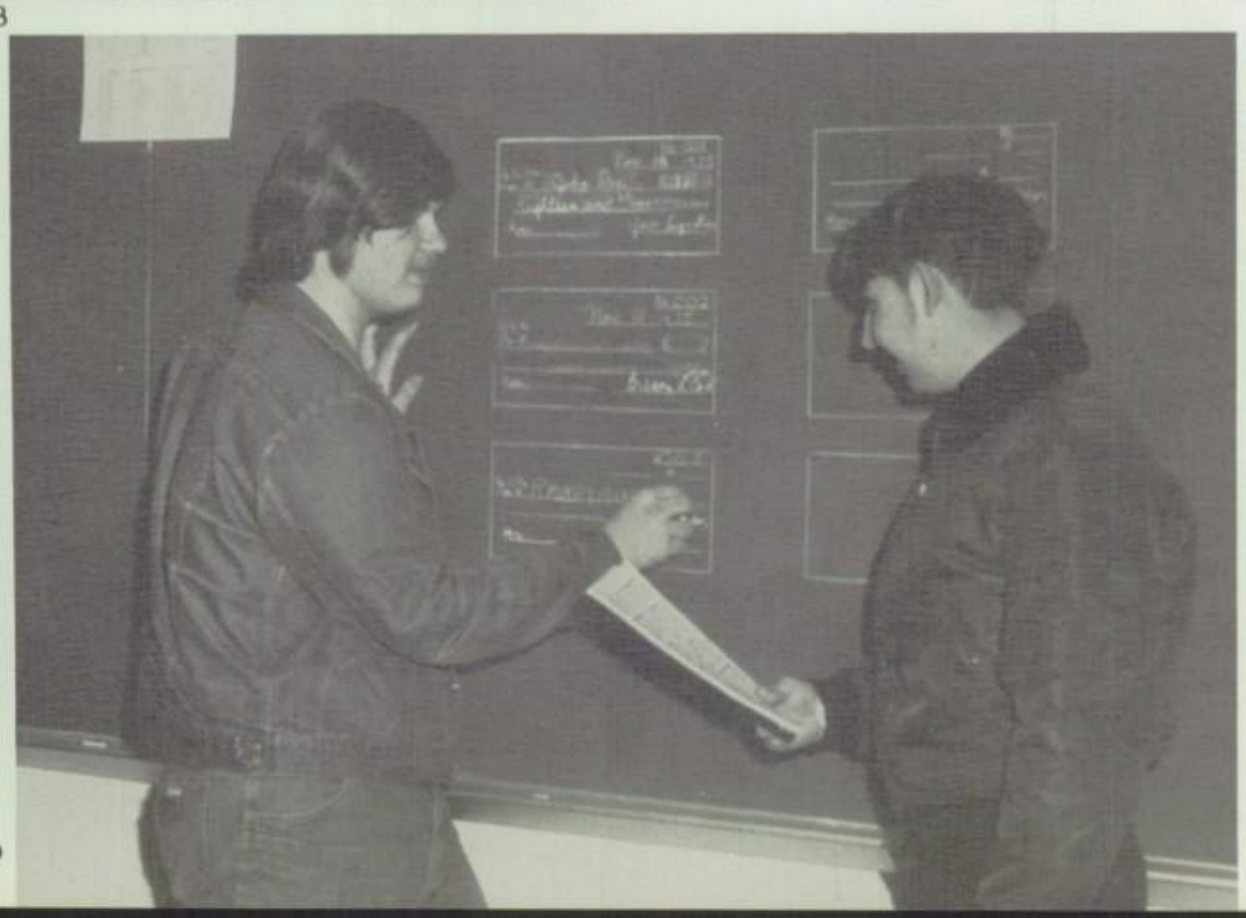
Students Employed to Earn Credits



D

Working for credit is the main idea behind Pre-Vocational Education. Twenty-five students under Mr. Greg Cook's supervision are positioned throughout the community at job stations. The Indiana Exposition-Convention Center, Burger Chef and Laboratory Supply Company are a few of the places where these students have been employed. This work-study program "pays" 1-2 credits each semester—plus spending money—to the participating 10, 11 or 12 grade student. Next year Mr. Cook hopes to raise the total working force to 33.

Calculus Returns to Math Department

Reinstating introductory calculus was a main item on the agenda for the Math Department as it underwent a change in curriculum. The class was designed to improve preparation for college. The use of new textbooks that emphasize individualized study was begun. Because of the large enrollment in Unified Math, the class continued to have team instruction. Mr. Darrell Peigh and Ms. Bonnie Robertson directed the class of fifty students. Students who enjoy competition entered three math contests.

Many Methods Involve Students

A

The Social Studies Department, under the direction of Mr. Don Huffman, worked with new methods to get the student more involved in his own education. Students took part in simulations related to major topics of discussion. This provided a more personalized understanding to the student. The jobs of discussing the issues of today, passing and rejecting bills, and holding simulated elections gave government classes a first-hand look at how the legislature works. Students formulated their own idea of a perfect society and recreated the events surrounding the writing of the Constitution in U. S. History. Experiences as varied as interviewing Indianapolis' mayor and visiting the Indiana Youth Center, which rehabilitates first felony offenders, aided in widening the scope of education for the social studies student.

Science Club Donates Telescope

Collecting insects, learning about nature, and understanding the principles of Physics kept science students occupied throughout the year. With an increased interest in science, two student teachers, Terry Linderschmidt and Doug Black, joined Mr. Marion Cooley, the department head, and Mr. Charles Alber, respectively. Additions to the science department equipment included a $300 telescope. The Science Club, sponsored by Mr. James Johnson, donated the telescope from their funds.

Competition for Credits

Calisthenics, square dancing, swimming and competition are all a part of the Physical Education Program. Freshmen and sophomores are required to have one-and-one-half semesters of PE. But many juniors and seniors take advanced PE to earn extra credits. Mr. David Wiik joined department head Warren Guthrie to occupy the vacancy created by the departure of Mr. Corby Sanders.

Sophomores take one semester of health to learn what makes them "tick". The course is taught by Mr. Dick McCory and Mr. James Templeton.

Driver Education was taught over the summer for students over 15 years of age. It teaches the basic skills and knowledge needed to operate a car. Over 300 students were enrolled. Various teachers taught on the road and Mr. Bob Price handled the classroom.

Changes, Additions

Enhance OUTLOOK

A staff of eight, cut down to just six after mid-term graduation, handled the chores for the OUTLOOK. Leading the staff as they met and coped with every challenge were editor-in-chief Mike Richards and sponsor Diana Laybold. Added to the editorial page was a new column titled "The Gavel," which reported the happenings of the student council. Also added was the focus page which appeared every other issue, highlighting some special event or occasion, such as Thanksgiving or graduation. The staff attended the Indiana High School Press Association convention as well as several journalism conferences and contests.

HAWKEYE Staff Starts Early

A

Early August marked the date of the beginning of the 1975-76 school year for the HAWKEYE staff as attendance was required for at least two of four clinics to learn the tricks of the trade. Editor-in-chief Rick Moore and assistant editor Lisa Benard had earlier returned from a two-week session at the Indiana University Journalism Workshop, where more sophisticated yearbook knowledge and 1976 plans were stressed. Sponsor Shirley Haflich's staff of 16 set about their tasks, which included selling more pages of ads and more total yearbooks than ever before. A year-long emphasis on better planning of copy and layout design helped to keep ahead of ever-present deadlines. Staff members were encouraged to attend or compete in several high school press days.

Jeff Willis Sinks Hole-in-One

"Their true potential never really did come through," said Coach Dick Wood of the 1975 varsity golf team. The linkmen finished the season with a record of seven wins and fifteen losses. Composed of three seniors, two juniors, two sophomores and two freshmen, the team played all their home matches out of Southwestway Park for the second straight year. Highlight of the year was Jeff Willis' hole-in-one on the 3rd hole at Southwestway. Most Valuable Player Rick Gammons led the team with the lowest team average. The 1976 golf team will have three returning lettermen—Jeff Willis, Steve Reilich, Pat Allen. New coach, Mr. David Wiik, commented, "We've got some good talent and these boys have great potential."

Eight Lettermen Return for '76

"There was a lack of dedication and too much individualism on this year's team. With the complacency and resting on last year's laurels, and the lack of spirit for a championship team, it turned out to be a disappointing season," commented Coach Bill Taylor. Although the 1975 varsity baseball team's record was 11-18-1, they lost eight games by just one run. Jeff McKeand received the Citizenship Award, while Mark Burner's three homeruns and 20 stolen bases earned him the Most Valuable Player Award. Coach Taylor looks forward to a better season this year with nine returning lettermen and a lot of hopefuls from the reserve team. Stated Coach Taylor "I'm optimistic of the caliber of the young men returning. They have more dedication and look more toward the welfare of the team than toward individualism." Returning lettermen for the 1976 varsity baseball team will be John Bartolovich, Tim Farley, Kevin Harmon, Jay Long, Don Meyer, Tony Winningham, Bob Wyse and John Young.

Good Year for Frosh, Reserves

With Joe Purichia leading the batting with a .371 average, the reserve baseball team posted a winning season of 7-5 for Coach Ray Howard. Danny Combs led the pitching staff with three wins and a 1.16 earned run average; the team ERA was 1.97. The 1975 freshman team was headed by Al Heiden, Mark Moreland and Warren Dubois with a .486 batting average and nine RBIs, .455 batting average and nine RBIs, and a .419 batting average with 15 RBIs, respectively. Coach Joe Brent's diamondmen finally set a 9-3-1 record.

Hathaways Go to State

Advancing two runners—Darlene and Denise Hathaway—to the state championship meet was the high water mark for the 7-2, 1975 girls' track team. CSAC champions included Denise Hathaway in the 880 and the 880 relay team of Kaye Anders, Rosie Marsh, Toni Parker and Patti Patterson. Karen Phillips topped the field in both the CSAC and county high jump. All three set new school records that were joined by Teresa Johnson's new 440 mark. Denise Hathaway was voted Most Valuable Player and Rosie Marsh was selected for the Mental Attitude Award.

State Finalist Tops 13-2 Year

A banner year for the 1975 track team ended in grand style as quarter-miler Kyle Fahrner qualified for the state finals. The season saw the team go 13-2 and break five school records. Setting new school records were Don Rose with a 20 second flat low hurdles time, Roger Koontz 143′¾″ in the discus, Kyle Fahrner 50.5 for the 440 and Rick Rosebrough with a 6′8″ high jump which won the conference. For the second straight year the mile relay team of Mike Phillips, Terry Sutterfield, Jeff Daniel and Kyle Fahrner, bettered the old standard with a time of 3:27.0. Qualifiers for the Hoosier Relays were Rick Rosebrough in the high jump, Don Rose running the low hurdles and the above mentioned mile relay team. Mike Phillips gained his second citizenship award. Two time Most Valuable Player Rick Rosebrough will lead eleven lettermen returning for Coach Jim Ware's 1976 squad.

Led by 880 county champ Dennis Walker, the freshman track team burned to a twelve and one season. The young Hawks met defeat only at the hands of Mooresville. Dennis Walker set a new school record of 2:08.1 in the 880. In the Marion County meet, Jeff Stahlhut's placing second in the pole vault, and the 3rd place finish of the mile relay team of Dennis Walker, Alex Wessel, Kerry Sorrell, and Brian Stoughton helped the team to a fifth place finish. Frosh Prepare for Varsity

Records fell in both the one and-one-half-mile and two-and one-half-mile courses for the freshman and reserve cross country squads. Freshman Chris Smith rose to the top of the list for the shorter distance with his 7:43, and Mike McWilliams set the reserve course record at 13:43. Both groups of harriers ran to impressive season records. The freshmen were 9-1, while the reserves lost their first meet in three years, finishing 11-2. Injuries to both reserve and varsity team members caused a lot of line-up shuffling and prevented another undefeated season. The freshmen won the Decatur Invitational and finished third at Southport. Freshman Jay Lucas moved to varsity at mid-year. Top reserves included Kelly Larrison, Steve Cochran and Brad Williams.

Harriers Race to 12-1 Mark

For the second straight year the varsity cross country team put together a 12-1 record, a Pike Hokum Karum victory, a third place CSAC finish and a regional appearance. The team added a victory in the DC Golden Spike Invitational to round out a very successful season. Team captain Craig McWilliams led the harriers with individual placings of second in the conference, sixth in the sectional and a record 12:42 on the new home course. Seniors Danny Brown and Mike Shimer also rounded out their careers with fine seasons. Coach Greg Cook was especially pleased with the performances of his young runners. Five sophomores—John Fishero, Mike Hood, Mike McDaniel, Brett Taber and Mike Urban—earned varsity letters along with freshman Jay Lucas. All will return, as will juniors Matt Monfreda, Mike McWilliams and Bob Phillips. Injuries sidelined five runners for all or part of the season. Craig McWilliams received the Most Valuable Runner Award, Brett Taber the Citizenship trophy and Mike Shimer the "D" blanket, signifying four years of varsity running.

Spikers Volley 4-7 Record

"I really enjoyed working with the team this year; they have a lot of potential," stated Coach Jane Cline of her 4-7 varsity volleyball team. Steaming through the season, the team was powered by Rosie Marsh with her 73 completed serves (a school record), Tandace Joseph with her 55 spikes and 56 saves, and Karen Phillips with 7 blocks. The recipient of the MVP was Tandace Joseph, while Debbie Qualkenbush received the Citizenship Award. The reserve volleyball team completed a record of 3-8 and was led by Darlene Waltz and Rhonda Morgan.

Freshmen Win Two, Reserves One

Guided by the leadership of co-captains Don Wilkerson and Tim Morgan, the reserve team compiled a record of 1-8. Although the record was not as good as hoped, the reserves have potential. The frosh, with a record of 2-7, were aided by the defensive efforts of Matt Gootee and the moves offensively of Ken Clarkson. Stated coaches Ray Howard and Cliff Carter, "We were pleased with the progress, individually and as a team, both offensively and defensively."

Gridders Open Stadium With Win

"A lack of speed and concentration combined to cause the losing season," summed up Coach Joe Brent of his 1-9 varsity football squad. The lone victory came in the inaugural game of the new stadium, shedding a little light on an otherwise dismal season. Hopes of escaping the county and conference cellars were dashed as the Hawks were downed in overtime by Beech Grove in the final game. Leading rusher Will Clark received the offensive Most Valuable Player Award, while Ron Sauer was voted defensive MVP. This pair served as co-captains, along with John Bartolovich. Thirteen lettermen return next year to try to build a winner. They will be headed by Joe Purichia and Tim Saylor.

Tennis Tallies Two Victories

1975 Varsity Tennis Team highlighted its season with two consecutive victories over conference foes Warren Central and Greenfield. Although the team's record was 2-12, they lost five meets by only 3-2 matches. John Young, Pat McGraw and Dan Wiesjahn were the top winners for the team with win-loss records of 8-6, 8-6 and 7-6 games respectively. Coach Swayze will return with four experienced varsity players. Returning men will be juniors Pat McGraw, David Wright, and sophomores Dan Wiesjahn and Mark Root. This year John Young was voted by the team as Most Valuable Player, while Fred Mills was selected for the Citizenship Award. Coach Mike Swayze stated, "I am looking forward to working with the boys next year."

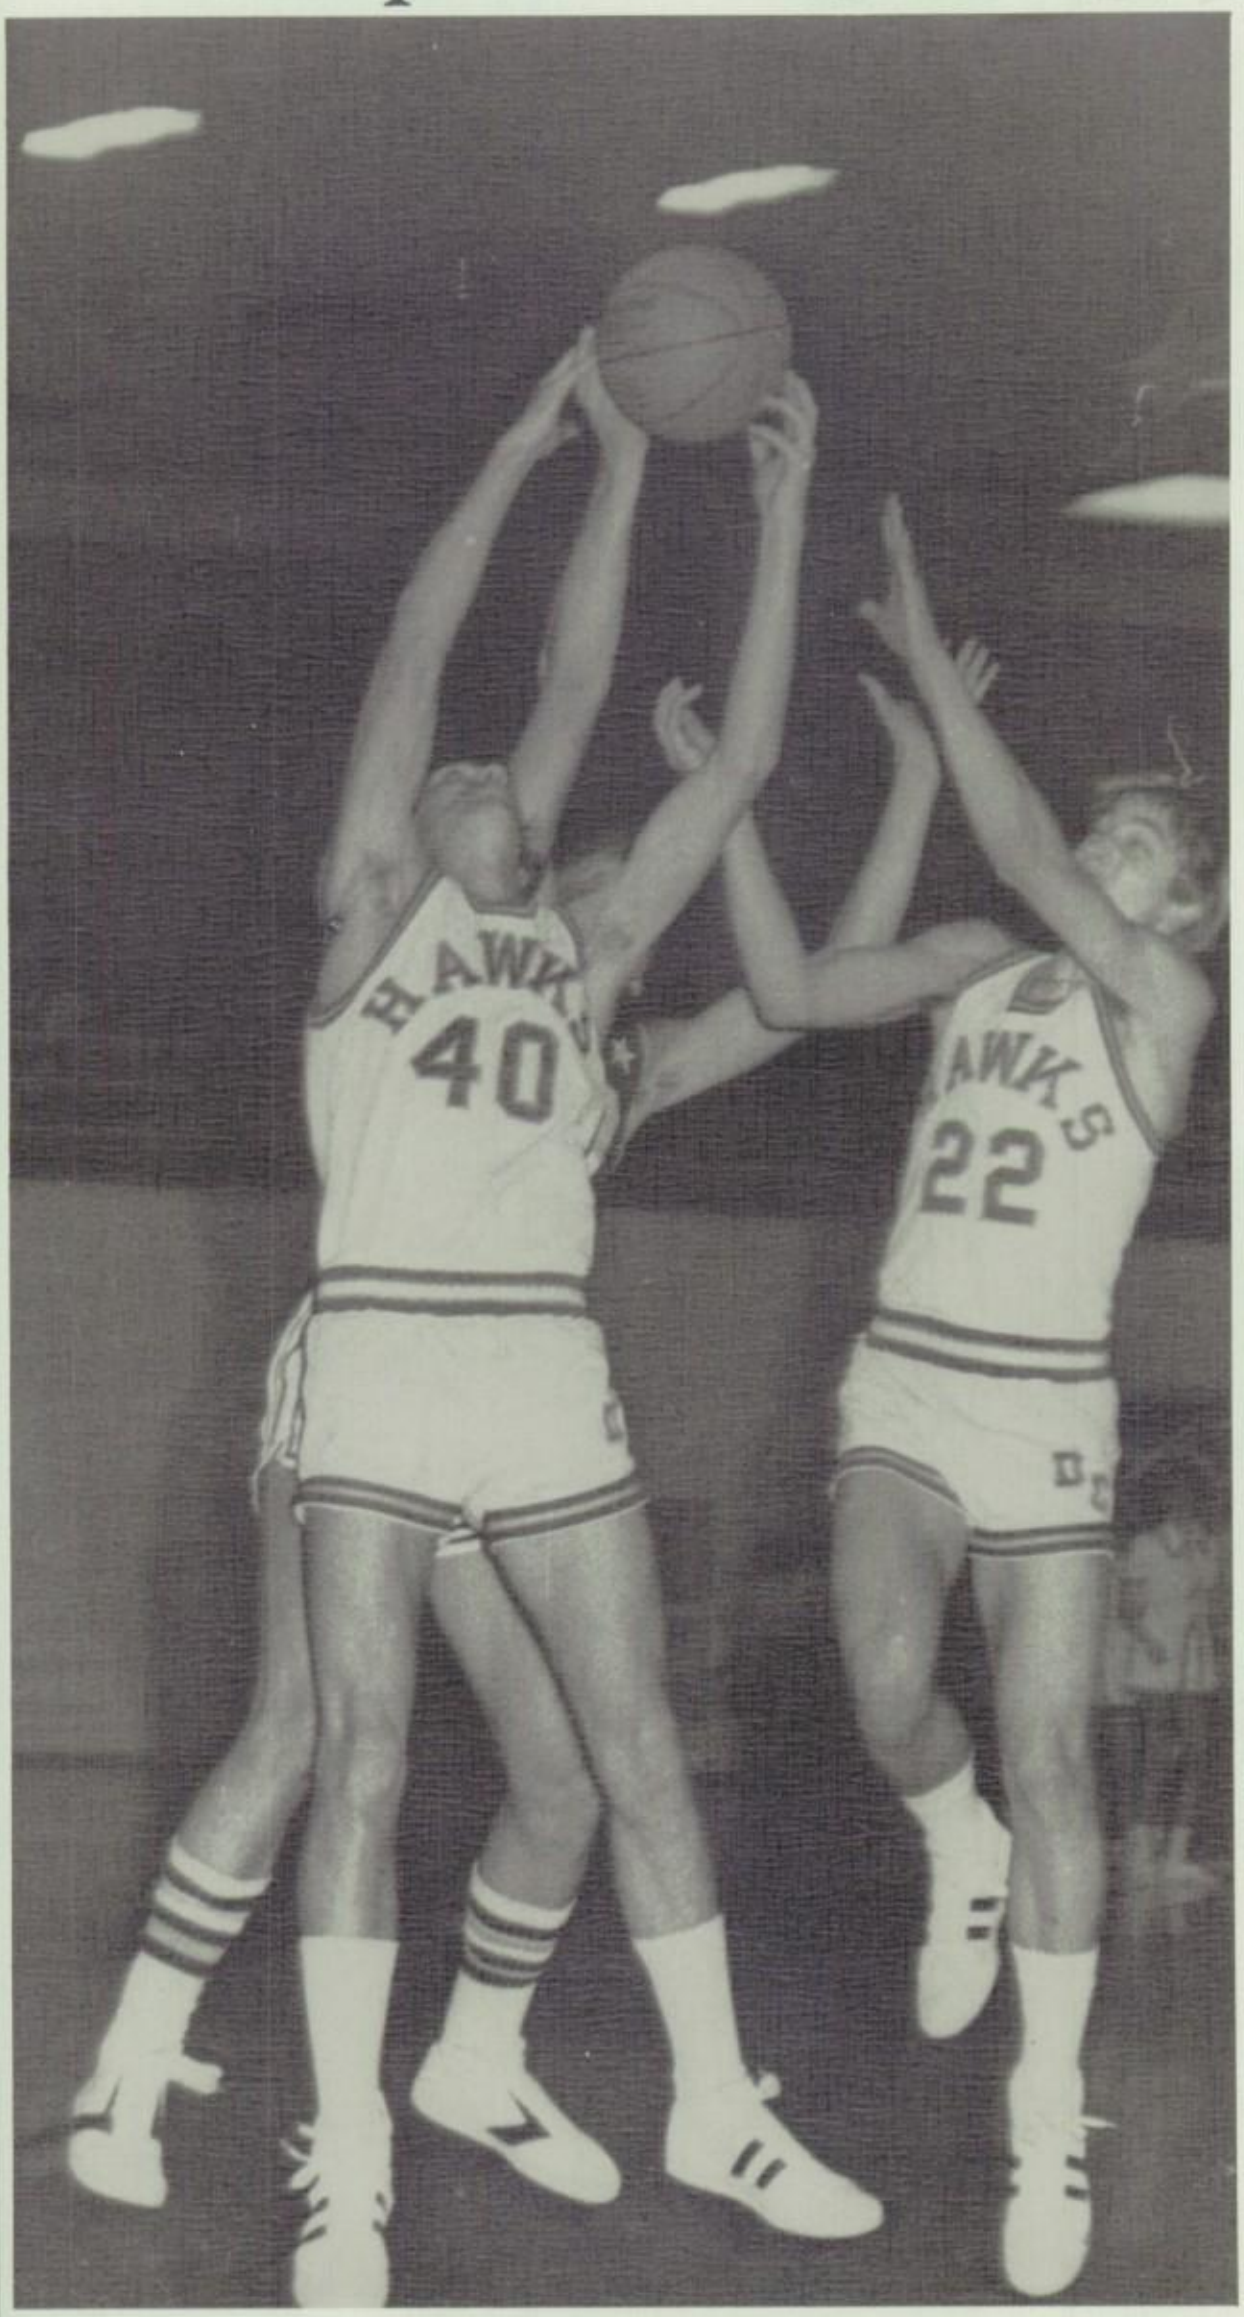
Discipline + Patience = Winner



A

Compiling the best season in seven years, the varsity basketball team finished 12-8. Firing out to a fast 7-1 start, the Hawks overcame a previous year's tendency to lose close games. With a starting line-up consisting of seniors Rick Rosebrough, Will Clark, Ron Sauer and Jim Jay along with junior Tony Winningham, the cagers employed a disciplined offense which stressed waiting for good shots. That, combined with a tough pressing defense, made for low-scoring but exciting contests. Rosebrough finished in the county's top 10 scorers with around a 19 point average. Clark and Winningham added double figure scoring while Jay topped the rebounders. Coming off the bench to gain valuable experience were Bob Dahl, Greg Daniel, Steve Watts and Phil Blain. Coach Darrell Peigh's Hawks moved from Whiteland to the Ben Davis sectional.

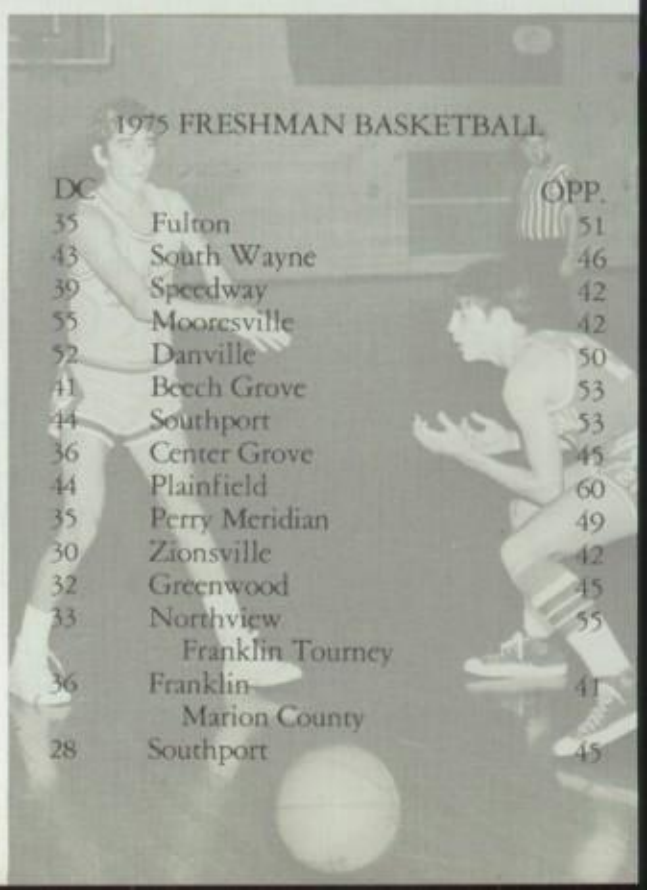
Reserves Win Tourney; Frosh Gain Poise

Consisting of five sophomores and five freshmen, the reserve team ended the season winning the reserve tourney and posting a - record. Leading the team were Phil Blain, the leading scorer with 9.5 points per game, and Coy Lickliter with 7.4 points per game. Much is expected from all five freshmen. The freshman team, losing five of their best players, closed the season with a disappointing 2-13 record.

Leading the team in scoring was Jesse Fairfield with Phil Hawkins and Steve Hibler also adding greatly to the team.



E

Girls Win First Sectional Game

Playmaker Debbie Qualkenbush, a 14 point scorer and rebounder, led the girl cagers to a 6-7 record. Debbie Qualkenbush was named Most Valuable Player while Becky French received the Citizenship Award. The squad included two freshmen, Becky French and Debbie Cole, on the varsity. Coach Janet Shahan is looking for a lot of help from both of them. Other returning lettermen will be Cindy Johnson, Tandace Joseph, Judy Counts, Sabrina Sharp, and Kay Thornberry.

Wrestlers Finish Strongly

Post season competition was again the time for Decatur's grapplers to step into the limelight. After a 5-8 season, Coach McCory's team finished the sectional a strong second behind Mooresville. DC advanced seven wrestlers to the regional. Tony Starks and Rick Jones took firsts, while Jim Cast, Phil Newkirk, Jerry Swank, Mike Donaldson and Jeff Shanklin finished second. Of these, only Tony Starks remained in the running and advanced to the semi-state. During the regular season, the wrestlers' best effort came against the Red Devils of Pike when the DCHS Hawks won every match, taking the meet 60-0. The Most Valuable Player award was given to Tony Starks, while Mike Donaldson won the Star Award, for outstanding performances during meets.

Grapplers Win Invitational

Winning first in the DC Invitational and third in the reserve CSAC, the reserve grapplers finished the season with a 7-3 record. Three wrestlers-John Jones, Jack Hill, and Tim Adams-competed in some varsity matches, while Mike Noble, Randy Allen, Rick Auberry and Larry Taylor contributed heavily to the team. Coach Jim Templeton's freshman grapplers closed the season with a 4-8 record. The young Hawks earned tenth place in the county, with Mike Noble and Rick Auberry placing third and Greg Francis earning a fourth. The team also received a third in the Southport Invitational.

Gymnasts Display Much Improvement

With nine returning lettermen the gymnastics team has compiled a record of 8-4. Stated Coach Sonya Farrand, "We have a lot of strong returning girls with a lot of potential." Some of the outstanding girls were Brenda Bell and Donna Spears in beam, Lawana Clark and Kaye Anders in bar, Rosie Marsh and Terri Hallam in floor exercise. With eight freshmen, the team will also be strong in years to come. The young gymnasts received a second in the conference, with Terri Hallam scoring a new high of 8.36 out of 10 in floor exercise.

Aquahawks Win With Balance

The swimming program at Decatur has had a reputation of producing outstanding teams who have placed high at the state finals and individuals who have become state champions. This year, Mr. Robert Broman took over duties as head coach of the varsity swimmers and succeeded in turning out a winning group of athletes. A strong, balanced team finished the season with a 6-4 mark and a solid third in the CSAC meet. Highlighting the year was the performance of the Medley Relay team of Jeff Stahlhut, Mike Kugelman, Bob Haflich and Rick Parker, who set a school record in the event. Excellent individual efforts by Bob Haflich, Rick Parker, Kevin Harmon, Tom Stahlhut and Mike Kugelman aided in the downfall of their opponents. The reserves, under first-year coach David Wiik, ended the season 4-2 in dual meets and won a conference title. Richard Osborn, Craig Jones, Bill Edmiston and Doug Davis were cited as outstanding prospects for the varsity.

Girls Take Three to State

While the record of the Girls Swim team, led by Coach Barb Corell, was a disappointing 3-11, it was highlighted by three qualifiers for the state finals. Debbie French and Beth Edmiston qualified in diving, while Jo Ellen Fair made it in the breaststroke. The team also placed 5th in the CSAC meet, a one-place improvement over last year. Team captains Robin Burner and Debbie French led the team throughout the season with the backing of Jo Ellen Fair who was the recipient of the High Point Award. The team will be looking forward to next year with ten returning lettermen.

Intramurals Provide Competition

A

Both girls and boys competed in intramural basketball competition during the winter. Mr. Bill Taylor headed the boys league while Mr. Ray Howard was in charge of the girls. Each played a round robin tournament with the two best teams vying for the title of champion. The boy's two division champions were Bob Wyse's Surgeons and Jim Kirk's Hoosiers with 7-0 records. Terry Pace's Super Seniors led the girls' league with an undefeated record. The Bike Club steered by president Cathy Roembke, served its increasing enrollment with guest speakers and bike hikes. Spring plans called for a bicycle race.

Dave,
Sis been
reading you
writing in G.A.'s.
Sis people
like your text mark
it understands. Good
that in understanding you do and
where our you go.
(Jeremiah 29:11)

Dave,
I'll
really enjoyed
being around you
and your corruption
Stay crazy and cuss
and quasi cuss carefully when
you drive! ☺ I kept you sane.
Forget U.A.'s this year, I realize
it would be hard to do!! Good luck
in the future Dave and always!
Sou, Sunchy

Dave,
I had a terrific
time at the prom,
post prom + in the
musical writing
thanks for forgiving
me for not being
the perfect husband
Luck always + Blessings! HA
Always from Sue Jr. (Bride,
Kim (Rowland)

Dave,
a very, very special person who has and always will mean the world to me. I don't think I'll ever have another friend who will mean as much to me. In a very special way, that we both understand, I love you very much. I hope that we can always keep in touch and see a lot of each other. I'll always be thinking of you up at DePauw and I'll hold you to your promise to come and see me.

Love ya
Pam

P.S. Keep your fingers crossed for fantastic fall quarter grades!

Dave,
It's been really fun having you in some classes with you. Good Luck with all your adventures!
Hmm!
Jim

To Dave,
Miss McGee will remember so will I. Take care of yourself and be as good as you are now.
Sure would have fun with you.
Love,
Kathy

Dave,
You have the invitation, and the talent, and the humor (we'll see) of it. So make it — You won't be sorry. Good luck with it. We'll care, and think of you —
Love,
Dianne

Dave,
Have fun at the musicals; it's the best part of college. Enjoy yourself in your remaining years here. Good luck in the future.
Love,
Mom

Dave,
a great guy with a good idea of certain people's #1 #2 #3's. You've got a great voice & a lot going for you!

Dave,
We've gotten to be pretty close friends this year, and I'm glad. I'll be talking in the future. Keep your head up and do the discussions in humanities more really a big help to me and I'll never forget them.

THEN & NOW THEN & NOW

Vijay
First of all your a sac !!!!! ooooo
But let's remember the good times
Hooks at Canterbrook,
Columbus Ohio, trash cans,
a whole hole, Pee as #1
these are the best of the worst
But they were all fun
Could we ever remember all the
B.S. that went down and
remember the night we got
drunk and swore to be each
others best men well I think
the time is coming. Could the good times
be just memories, I hope not lets continue
to get crazy every one in a day.

Dave,
We've had alot of
good times. West
Side Story was a blast
Psychology class & Kirkland's
class was fun too. You've
been a good friend.
Remember Boldenaires
and maybe I'll see
you someday again.
your friend
Joe Mitchell

Yours

Skynyrd

David The snowboy-
(Guest name) Thanks
for what you've figured out
than a devout Yom religionist
& reckless driver. Good-bye & stud cool dude
is all you ever will need to be. Yours you and that
Good luck!
Have a Nice Forever
David Mooney
"Moose"
P.S. Remember the soaking Howe in pool
moose

O.K.

Dave,
Even though I wasn't
at any of those crazy
parties of yours, I know
you're the craziest (You and
Brian). Watch those vans!
(That was low #) Stay Cool Dude
Good Luck with
Women & College.
(in that order)
